# Color by Sight Words

-  = after     = ask     = him     = live
-  = of     = some     = them

A large rectangular grid divided into many irregular shapes. Each shape contains a sight word. The words are: "after", "of", "live", "him", "them", "ask", and "some". The words are scattered throughout the grid, with some appearing multiple times. The shapes are designed to be colored according to the legend above. The words "after" are in the top row. "of" is scattered in the middle rows. "live" and "him" are in the middle rows. "them" and "ask" are in the bottom rows. "some" are in the bottom row.
