

# Which square numbers are missing?

## What?

Identify the missing square numbers.

## How?

Use the numbers on the edge of the grid to work out the missing numbers. Use the Pen tool or Text tool to write them in.

0	1	2	3	4	5	6	7	8	9	10
1	1									
2										
3			9							
4				16						
5										
6						36				
7										
8								64		
9									81	
10
