## Word pyramid

Start at the top of the pyramid and work your way down. Try to find the next word. You must use all the letters from the word above and add an extra letter. Then go one level down the pyramid and do the same. You finish when you reach the bottom.

### Level Clues

- 3: A browning of the skin that is caused by the sun's rays.
- 4: To lean.
- 5: A major section of a long poem.
- 6: A tropical American bird that has bright feathers and a very large beak.
- 7: A record of money that has been paid and money that has been received.
