

TELLING TIME WORKSHEETS

The image displays several educational worksheets for children learning to tell time. A large cartoon illustration of a girl with brown hair in pigtails, wearing a yellow shirt, holds a large analog clock face in front of her. The clock shows the time 3:00. Behind her are several worksheets:

- Worksheet 1:** Titled "What's the Time?" with the subtitle "To the Nearest Quarter Hour". It includes two clock faces with a girl's face next to them. The first clock shows 3:15, and the second shows 3:45.
- Worksheet 2:** Titled "To the Nearest Hour". It has four clock faces numbered 1 through 4. Clock 1 shows 3:00, clock 2 shows 6:00, clock 3 shows 9:00, and clock 4 shows 12:00. There is a cartoon boy character and a list of activities to match with the times: "going to school", "sunset", "dinner", and "brush teeth before school".
- Worksheet 3:** Titled "Time to Match". It features a grid of six clock faces on the left and a list of times on the right: 9:00, 4:00, and 3:00. The instructions say to cut out each piece and match the time to the clock.

At the bottom center, there is a logo for "Teaching Second Grade".
