4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

How we use this today:

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

Part II.

Directions – answer the following questions on your own based on what you have written above and your own opinions. You may go back and look at the slide show or look up information online, but you shouldn't need to. This worksheet is due next class.

1. Which of these inventions do you use the most in **YOUR** life today? Explain why you use this the most and how you use it.

2. Which of these inventions do you think was the most important for the Chinese to develop? In other words, which had the greatest impact on the advancement of the Chinese civilization? Why?

3. Which invention changed the world the most? Why?
