

Name: _____

Expanded Notation

Directions: Write the expanded notation for each standard notation number.

Ex: $731 = 7 \times 100 + 3 \times 10 + 1 \times 1$ and $56.23 = 5 \times 10 + 6 \times 1 + 2 \times \frac{1}{10} + 3 \times \frac{1}{100}$
