One day I was out in space. I was on the moon with the other astronauts. I saw a big ugly alien near me. I was scared. But the alien was friendly. We made friends with the alien and he showed us things to do on the moon.

Opinion Writing
Second Grade

In my opinion, I would rather be the teacher! Teachers are in charge and get to decide what the students do. Also, they don't have to do any of the work. So, I would rather be the teacher so that I can let every one have fun all day long!

CCSS.ELA-LITERACY.W.2.1 Write opinion pieces in which they introduce the topic they want to write about, state an opinion, supply reasons that support the opinion, use linking words (e.g., and, but, because, so) to connect opinion and reasons, and provide a concluding statement or transition.
