

1
Once upon a time, there were a lot of water drops that lived in a cloud.

2
"How boring life is!!!" they said.

3
"We want to do something great!!!"

5
The sun came and went through the drops with its bright rays.

6
What a wonderful surprise!!! The water drops saw...

7
how the light went out of their bellies dyed in beautiful colours

8
So all the drops held their hands and formed in the blue sky.

9
a beautiful curve of seven colours that is called
