

Word Meaning Game 2

Name: _____

Instructions: Cut out each sentence, then cut out the words at the bottom.

In each sentence, one word is in red. The student finds a word on a card that has a similar meaning and places it over the red word in the sentence. Underlined words are context clues.

1. The green **toad** hopped into the pond.

2. I learned to write the **numeral** 8 in math.

3. The **gigantic** dinosaur crashed in the forest.

4. The lion's eyes **stared** at the hunter.

5. The camper's **shelter** was a tent.

6. The blue and red **banner** flew on the pole.
