## Adding Alliteration to Poetry

Below are two poems that are missing some words. Write words in the blank that will create an alliteration.

### *Sunrise*

As the \_\_\_\_\_ sun rises

In the \_\_\_\_\_ purple sky,

The \_\_\_\_\_ lark sings a \_\_\_\_\_ song.

A \_\_\_\_\_ day has begun.

### *Creepy Castle*

In a \_\_\_\_\_ and \_\_\_\_\_ dungeon

\_\_\_\_\_ ghosts float \_\_\_\_\_

\_\_\_\_\_ spiders scurry silently

As the \_\_\_\_\_ moon shines down.
