

Sight word activity sheet. Sight words are some of the most frequently used words in our language, but are hard to sound out. They are best learned by "sight."

Visit us for more kindergarten readiness information at Facebook.com/5toThrive and Pinterest.com/5toThrive.

Decorate the sight word any way you like! Add ears, eyes and a tail to turn it into an animal, make patterns, or just color it in. When your child is done, hang it up so they can see it each day.
