

Number Recognition Worksheet -3 [1-20]

Q. Recognize the number from the dots and match the following

A large rectangular box containing a matching exercise. On the left side, there are six light blue square boxes, each representing a die face with a different number of dots: 1, 4, 3, 6, 2, and 6 dots from top to bottom. On the right side, there are six light blue square boxes containing the numbers 9, 12, 3, 1, 5, and 2 from top to bottom. A black arrow points from the top-left die face (1 dot) to the number 1 box.
