

Writing Clinic: Creative Writing Prompts (7)

I love shopping, but I hate Mondays

Some love shopping, others hate it. Some hate running, others can't stand it.

What or who do you really like or love, and what is it you really don't like or even hate? Make a list.

Really like/Love	Really don't like/Hate

Now it's time to write. Explain and give reasons why you love or hate what you chose.

I love **reading**, especially fiction. I usually read one book every week. I don't know what I would do without books. Okay, surfing the Internet and travelling are cool too, but when I really want to relax I just pick up a good book and sit outside in the garden. I think reading about mysteries or sorcery in different places – from countries to other galaxies – is similar to magic. You enter a world where nobody else can go but you.
