

## Pyramid Building

### Amazing Fact

The Great Pyramid of Giza in Egypt, actually has 9 faces instead of 5.

### Challenge

Try making the 3D pyramid shape using the net provided.

You will need:

- Scissors
- Glue

You could also try to find out:

- what photo evidence exists of the pyramid having 9 faces;
- why it was built like this;
- what the correct name of the shape should be.
