

Pond Dipping

I can count in multiples of four.

Oh no! The multiples of 4 have been covered up by lily pads. Can you fill in the missing numbers?

1	2	3		5	6	7		9	10
11		13	14	15		17	18	19	
21	22	23		25	26	27		29	30
31		33	34	35		37	38	39	

How many legs are there?
