

Name: _____

The Spelling Bee

by B.J. Lee

Do you know a Spelling Bee?
I know one well, and vow that she
can spell the names of all the flowers
whose sweet nectar she devours.

I took this Spelling Bee with me

and

I said

that

She spelled "Petunia." Quite divine!

And with "Dahlia" she did fine.

Then she missed both "Thigh" and "Thumb,"
but quickly spelled "Chrysanthemum."

So I found out that Spelling Bees
cannot spell all words with ease.
For flower names, they spell each one,
but other words? They know none.
