Sum of Two Dice Probabilities (A)

Find the probability of each sum when two dice are rolled.

P(≥3) =   P(≤8) =

P(<10) =   P(<12) =

P(<5) =   P(<3) =

P(≥10) =   P(≥12) =

P(12) =   P(>4) =

P(>5) =   P(≥10) =

P(5) =   P(<12) =

P(<7) =   P(11) =
